

Teladoc

Employees and their dependents have access to Teladoc at no charge! Teladoc offers around-the-clock, year-round access to U.S. board-certified doctors through video or phone consultations. This convenient service can effectively address various conditions such as cold or flu, allergies, bronchitis, UTIs, sinus problems, and more. Your Teladoc provider can diagnose and provide prescriptions through a simple phone call, and all of this comes at no cost to you!
